

The months of November and December went by quickly! The students have been continuing to demonstrate **GRRR** behaviors! When students demonstrate appropriate and positive behaviors throughout the week, they earn Fun Friday activities or incentives. Big events in November and December include watching holiday movies and eating popcorn, and watching the JHS Drum Line perform. Our students even had an opportunity to try on the drums and feel the vibrations!

During November and December, the students earned opportunities to wear sweats, eat candy canes, decorate their classroom doors with holiday decorations, and play games. The Gold Card students earned several extra incentives including but not limited to: extra recess time, t-shirts, special treats, and wear sweats to school.

November Gold Card Students:

Daniella, Kylie, Kyla, Laine, Clark, Knikee, Chatjuan, & Gabe

December Gold Card Students:

Daniella, Kylie, Ariella, Knikee, Kyla, Lillie, Joshua, Jennida, Gabe

Students also have the opportunity to earn tickets when staffs acknowledge their exceptional **GRRR** behaviors. Then the students put their tickets into their 6th, 7th, or 8th grade boxes. The box with the most percentage earns that group a special incentive. In October, the 7th graders won! They got to watch movies during their study hall. In November the 7th graders won again! What incentive will they earn? Keep an eye out for next month's newsletter to find out!
